2. The Indians claim that Pakistan is strengthening its positions and has committed more cease-fire violations.
3. Pakistani radio claims that in Kashmir "freedom fighters" have attacked an Indian convoy, raided a police post and scored many more successes. The Indians reportedly are "avenging their setbacks by killing innocent Kashmiri Muslims" and have arrested large numbers of people for listening to Pakistani broadcasts.
4. As of 30 September, 31 of the 117 UNIPOM observers committed by 12 countries, and 40 of the 79 observers pledged by nine countries to UNMOGIP, had arrived. An additional 28 observers have been assigned to UNIPOM from other UN observer missions.
